

## **Call for Papers: Doctoral Forum**

### **Purpose:**

The Doctoral Forum is a medium for doctoral graduate students to discuss and explore their research interests and career objectives with each other and with established researchers in IT education. This forum encourages doctoral students to expand their networks and to continue making contributions to the field of IT education in the near future.

### **The topics include but are not limited to:**

Please refer to the other SIG sub-conferences for related topics.

**Chair:** Chai Ching-sing, Nanyang Technological University, Singapore
